

# “God’s Will for Husbands”

Ephesians 5:25-33

February 22, 2009

*Husbands love your own wives...*

1. as Christ sacrificially loved the church (25-27).

*to sanctify her with the word.*

*to glorify her with the beauty of holiness.*

2. so also as your own body (28-31).

*to love her is to love yourself.*

*to marry is to be inseparably joined.*

\_\_\_\_\_ love \_\_\_\_\_  
*just as Christ loved the Church*  
*so also love \_\_\_\_\_ as your own body.*
