

“God’s Will for Husbands – Part 2”

Ephesians 5:28-33

March 1, 2009

Husbands love your own wives...

1. like you love your own body (28-29).

for your own benefit.

for you naturally care for your own flesh.

2. as being a member of your own body (30-33).

as we are members of Christ’s body.

the man and his wife become one flesh.

_____ love _____
just as Christ loved the Church
so also love _____ as your own body.
