

“Same-Sex Marriage a Cultural Revolution”

September 15, 2013

Introduction:

1. The fundamental _____.

- (1) _____ - the public concept of marriage is defined beyond blood relationships, adoption, & traditional matrimony.
- (2) _____ - the civil rights of homosexuals trump the Christian principles and religious freedom of Christians who own businesses or serve and address the public.
- (3) _____ - the price of citizenship demands that we compromise our religious beliefs that contrast with the values of others.
- (4) _____ - Gender identity groups and sexual orientation (LGBT) are protected from any form of discrimination.

2. The strategic _____.

1) Religion cannot determine the _____ for legal marriage. (Gen 2:24; Mt 19:3-6; Eph 5:28-32)

- *marriage is a _____ that is given to mankind.*
- *Jesus _____ marriage is between one man & one woman and that God joins them together.*
- *Biblical marriage _____ stability, good health, security and promotes growth for families.*
- *Same-sex marriages _____ marriage.*

A “unit of two or more persons, related either by birth or by choice, who may or may not live together, who try to meet each others needs and share common goals and interests...”

(San Francisco Unified School District teaching kindergarten & 1st graders about homosexuality).

- *Same-sex marriages are focused mostly on the _____ aspect of the relationship and are _____ in natures to homosexuals, to families and to society.*

2) You can’t _____ morality. (separation of church & state)

- *anytime you think or say “there ought to be a _____ against that” you acknowledge the need to legislate morality*
- *government is a divine institution designed to _____ good and _____ evil (Rom 13:1-5)*
- *God as given to all mankind _____ or natural law. (Rom 2:14-15)*
- *Our founders _____ Moral Law in our Constitution in place of sectarian dogma and a state church.*
- *Moral Law legislates the _____ and _____ of society.*

“Same-Sex Marriage a Cultural Revolution”

September 15, 2013
